

# Pierre Fritsch, UI/UX Designer & Frontend developer

No matter if it's a website, an e-commerce, a web or a mobile app : **the user interface is the product.**  
And I wish each product to meet its goals, and even more, to **fit its users needs!**

## EXPERIENCES

- 2012 / 2016 **Senior UI/UX Designer and Frontend Developer at Puzzle ITC, Bern**  
UX/UI Design for web and mobile apps, Front-end dev. Branding and visual communication.
